

SAVIOUR'S SONG

F#m
This is Jesus
A D
Light of life, eternal
A E/G# F#m
In flesh and bones, descending
A C#m
You walked upon the earth

The Creator
Humbled by creation
You kissed a world in mercy
Embraced us at the cross

A E D E
Sing aloud the Saviour's song
D A/C# D E
Come worship Him, Come worship Him
A E D E
Raise Your hands and shout His name
D A/C# D E
Christ Jesus, Christ Jesus

It is finished
A rugged cross stands empty
Death has been defeated
This world is not the same

Songs are rising
Awe and adoration
Fill our hearts with wonder
Endless praise is Yours

D A/C# Bm A
For nothing is higher
D A/C# Bm
No one is greater
D A/C# Bm A
Nothing compares to You
