

# YOU ALONE

Em                    G        C    G/B    D  
Before the world began, You were there  
Em                    G                    D            Am  
The light and life of all, You were there  
Em                    G        C    G/B    D  
You will always be, the first and last  
Em                    G                    D            Am  
Watching over me, you are there

                                  C    Am                    Em    G  
You cannot be shaken, You cannot be moved  
                                  C    Am                    D  
Though this world will fade away, you are there

G    D/F#        Em  
You alone are God  
          C    G/B    D  
You alone are God  
          G    D/F#    Em        C  
And I will worship You, You alone

When the skies are grey, You are here  
In my loss and pain, You are here

You alone are God  
You alone are God  
And I will worship You, You alone

You are always there  
You are always there  
And I will trust in you, You alone

Bridge - Em, D/F#, G, D, G, Em, D
